PROFESSIONAL INFORMATION

EDUCATION

Ph.D. Duke University. American Literature. English Department

Certificate in African and African American Studies

B.A. Spelman College. Major in English. Minors in Philosophy and Women's Studies

RESEARCH AND TEACHING INTERESTS

Research project has consistently engaged questions related to the status of the U.S. South in shaping categories such as the American and the African American and to the impact of the region in shaping discourses of race, gender and sexuality in the U.S., along with their processes of nationalization. Areas of research and teaching interest include: African American and American literature; black/Africana studies; Southern studies, including black Southerners in the U.S. and the new Southern studies; race, gender and sexuality studies, including black feminism, masculinities and femininities; cultural studies, including black popular culture, film studies, Oprah studies, and Beyoncé studies; critical theory; and the body.

- 2009 Visited Paris, France as “Cultural Envoy” under U.S. Embassy Speaker Program (January 10-17, 2009). Organized by Cultural Affairs Office with grant under the auspices of the U.S. Department of State, including talk and reception at the Ambassador’s Residence. Visit in tandem with the year-long “Un Patchwork de Cultures” exhibition on tour in France, which honored the shared history of the U.S. and France, highlighting Louisiana history and touching on issues such as Hurricane Katrina. Beyond major talk at the Ambassador’s Residence, events included public lectures to three groups of high school students, three groups of college students, and multiple gallery talks at the Mairie du 5e (City Hall V) in Paris. They included lectures to groups such as girls from a vocational high school, high school students at Collège Martin Luther King, Villiers-le-Bel in Eastern Paris, and to a class of high school seniors Suger High School, Saint-Denis. Collegiate lectures included talks to a group of 150 engineering students from Ecole Internationale de Sciences du Traitement de l’Information (EISTI), Cergy, at Université Paris 10, Nanterre, and in tandem with presentation to members of American studies scholars in Société d’Etudes Nord Américaines (SENA). Also addressed the diversity group at the U.S. Embassy designed to support 1000+ employees and dialogued with the editor and 19 teen bloggers at the [Bondy Blog](#)
